

Dear Sir/ Dear Madam,

The Centre for Dialogue and Cooperation on Energy Projects (CDCEP) has the pleasure to invite you to the [16 + 1 Energy Fair and Conference](#) organized by the [Romanian Energy Center \(CRE\)](#) with the support of the Romanian Ministry of Energy and the Ministry of Foreign Affairs, in collaboration with The National Energy Administration (NEA) and China Electricity Council (CEC) on **8-10th November 2017** at [WILLBROOK PLATINUM CONVENTION CENTER](#) – Bucharest, Romania.

The Ministerial Conference benefits from the presence and involvement of the Romanian Minister of Energy, Mr. Toma Petcu.

Who will officially open the Fair and speak at The High-Level Conference?

16+1 Energy Ministers are expected to join high-ranking officials from China, the CEE region and the European Union institutions in order to convey a strong message of support for the overall cooperation in the energy field between countries in Central and Eastern Europe and China and for CDCEP16+1. As a flagship initiative of Romania's Government commitment to the 16+1 cooperation format, we expect the presence of the Romanian Prime Minister, Mr. Mihai Tudose.

Who will be attending 16 + 1 Energy Fair and Conference?

Over the course of 3 days, policymakers, exhibitors, and business leaders will attend a kick-off High-Level Conference, a state-of-the-art showcase of products and energy technology solutions, policy round tables and B2B workshops, hosted in an exquisite location: Willbrook Platinum in Bucharest, Romania.

Over 50 companies and organisations from China and CEE will deliver a message of support for the overall cooperation in the energy field between the two regions.

Why attend the 16 + 1 Energy Fair and Conference?

- **To increase your company's visibility** at the first event dedicated to energy industries in China and the Central Eastern Europe within the framework of an overall business and policy cooperation between these regions;
- **To witness and interact with the companies covering the entire value chain:** the 16+1 Energy Fair and Conference will bring regulators, policy makers, service companies, technology providers, consultants, and financiers together to do business and shape the future of the energy sector;
- **To take advantage of excellent networking opportunities and full access:** the 16+1 Energy Fair and Conference will bring together boardroom seniors and lay the ground for the latest insights into energy projects and investment strategies.

Join us at the [16 + 1 Energy Fair and Conference](#) to explore exciting business opportunities and meet key stakeholders from CEE region and China, at a conference & exhibition that will provide you with a unique business to business platform!
